**Response to Notification of Missing Requirements under 35 U.S.C. 371**

In a *Notification of Missing Requirements* mailed 3/27/02 in the above patent application, Examiner indicated that a Declaration must be furnished in the U.S. National Stage of the above application. Applicants' attorney examined his file for the application and determined that an executed US declaration and assignment had been filed with the PTC Request for the application on 6/21/2000. Applicants' attorney then called Examiner to discuss the matter and Examiner indicated that an appropriate response would be to send her copies of the relevant papers filed on 6/21/2000. Attached to this Response are copies of the following from Applicants' attorney's files:

- The *Notification of Missing Requirements*;
- A return postcard for the Request which indicates that the Request was filed 6/21/2000 and included the Declaration, Assignment Cover Sheet, and Assignment;
- Sheet 5 of the Request, indicating that the Declaration and Assignment were filed with the Request;
- The executed Declaration;
- The assignment cover sheet and executed assignment.

Since the copies leave no doubt that the Declaration was in fact filed 6/21/2000 with the Request, there is no basis for the *Notification of Missing Requirements* and Applicant's attorney respectfully declines to pay the surcharge under 37 C.F.R. 1.492(e). Should it nevertheless be necessary to pay the surcharge or any other fees in connection with this response, please charge the fees to my  
5 Deposit Account number 501315.

Respectfully submitted,

*Gordon E. Nelson*
